

G4

Here lieth the Remains of  
THOMAS  
and ANN HUMPHREYS  
He died the 12<sup>th</sup> March 1817  
Aged 66 Years  
She died the 26<sup>th</sup> July 1818  
Aged 69 Years  
Two bodies vile, consigned to earth.  
Whence man, at first, derived his birth:  
Our moldring dust, a Pow'r on high  
Can raise, transmute and purify.
