

# Important changes to your rubbish and recycling collections for Easter and May Bank Holidays 2007

**From this Easter we will be collecting rubbish on all Bank Holidays (except for Christmas Day, Boxing Day and New Years Day).**

**Please remember to put your rubbish out on your usual collection day, during the Easter and May Bank Holidays.**

This change will improve our service to you by reducing the confusion caused by Bank Holidays and will make our refuse, recycling and composting services more consistent with each other.

Your green box recycling, cardboard and garden waste collections will take place as usual.

Our Recycling Centres in Bath, Keynsham and Midsomer Norton will be open on Easter and May Bank Holidays from 8am - 3.45pm. Please remember to separate and recycle your rubbish when you visit these Centres.
